The Rt. Rev. Edwin Lani Hanchett, D.D., Bishop

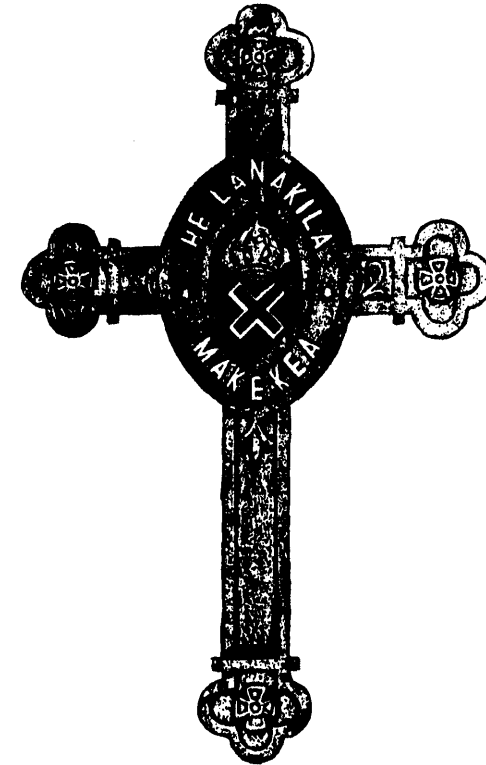

HISTORICALLY, Hawaii's first contact with Christianity came through the Church of England with the arrival of Captain James Cook. Later, in 1862, at the request of King Kamehameha IV (Alexander Liholiho) and his energetic Queen, Emma Naea, the Church of England sent its first bishop, the Rt. Rev. Thomas N. Staley. Thus, the Episcopal Church has the distinction of being in Hawaii by invitation.

In 1902, the Anglican Church in Hawaii was constituted a Missionary District of P.E.C.U.S.A. The Ven. Henry B. Rastarick was elected the first American Bishop to Hawaii.

An honor was conferred upon the Church when it was asked to host the 58th General Convention in September 1955. This was the first General Convention to be held in an Overseas Mission Field, and also the largest to gather in Honolulu. Among matters considered at that Convention, was the approval of Statehood for the Territory of Hawaii.

The Rt. Rev. E. Lani Hanchett, present Bishop of Hawaii, is the first of Hawaiian ancestry to become priest and bishop. Bishop Hanchett was elected to the Church's Executive Council in 1973, and in 1974 was named to the Church's AsiAmerica Strategies Task Force.

This motto was adopted by the first Anglican Bishop for the Church in Hawaii. The Rt. Rev. Thomas N. Staley.

of the 6th Convention

FRIDAY, OCTOBER 4, 1974

Convention opened in St. Andrew's Cathedral. The Rt. Rev. E. Lani Hanchett gave his annual address. This was followed by a workshop on Liturgics by The Rev. Dr. David E. Babin Theologian in Residence, who is on sabbatical from Seabury-Western.

SATURDAY, OCTOBER 5, 1974

Convention was called to order in St. Andrew's Priory School's Gymnasium at 8:00 a.m. by Bishop Hanchett.

Opening prayers were offered, and the Necrology List read (*Attachment I*).

A quorum was declared present.

The Rev. Franklin S.H. Chun was declared Secretary Pro Tem of Convention.

The Bishop appointed the tellers (*Attachment II, "APPOINTMENTS"*). The Chancellor, Mr. James H. Tabor, then gave instructions to the tellers advising them that cumulative voting had not been requested for this Convention.

The Rev. Dr. Paul M. Wheeler moved that the courtesy of the floor be extended to The Rev. and Mrs. Imo Tiapula (from American Samoa); The Rev. and Mrs. Theodore F. Sirotko; The Rev. and Mrs. Jan C. Rudinoff; The Rev. and Mrs. John E. Crean, Jr.; The Rev. Curtis R. Zimmerman; The Rev. and Mrs. Homer S. Vanture; The Rev. and Mrs. Jacinto B. Tabili; and that the same privileges be extended to Bishop Constancio B. Manguramas of the Missionary Diocese of Southern Philippines, to Bishop William Choi of the Diocese of Busan, Korea, and The Rev. Dr. David Babin.

The following clergy and their wives were welcomed to the Diocese by the Bishop:

The Rev. Imo Tiapula and his wife Sandra
The Rev. Theodore Sirotko and his wife Phyllis
The Rev. Jan C. Rudinoff and his wife Pennie
The Rev. John Crean, Jr. and his wife Eileen
The Rev. Curtis R. Zimmerman
The Rev. Homer Vanture and his wife Nancy
The Rev. Jacinto Tabili and his wife Clarita
The Rt. Rev. Constancio Manguramas
The Rt. Rev. William Choi

At Bishop Hanchett's request, Bishop Choi spoke to Convention. He asked for the prayers of the Diocese of Hawaii and that the people in Hawaii act as missionaries to his Diocese.

The Rev. Norman Ault read a petition to the Bishop for his approval and for endorsement by the Convention. The Bishop accepted Kihei Episcopal Mission, Trinity Church By-The-Sea, as an organized mission of the Episcopal Church. The mission was accepted by acclamation and given a standing ovation by Convention (*Attachment III*). The mission was previously approved of by The Board of Directors.

Bishop Hanchett asked the delegation from Guam to stand and be recognized.

The Rev. Rudolph Duncan asked about the status of the Kona Mission accepted last year. The Bishop reported that the Kona Mission had been reduced to unorganized status with no further action required by Convention.

The Rev. David K. Kennedy, Chairman of the Committee on Nominations and Elections, presented the slates for Secretary of Convention, Diocesan Treasurer, Diocesan Chancellor, Registrar, Vice Chancellor, Judges-Ecclesiastical Court and Judges-Ecclesiastical Court of Appeals. There being no nominations from the floor for any of these offices, a motion was made and seconded that these nominees be declared elected by acclamation. The motion carried (*Attachment IV, "ELECTIONS"*).

The Commission on Ministry, Historiographer and Assistant Secretary to Convention were confirmed by Convention (*Attachment II, "APPOINTMENTS"*).

The Chancellor instructed Convention in voting procedures for the Standing Committee and the Board of Directors, and balloting was conducted. Bishop Hanchett asked the Committee on Nominations and Elections to go with the tellers to supervise the counting (*Attachment II, "APPOINTMENTS"*).

The Bishop declared a 15-minute recess in Convention proceedings. When Convention reconvened at 9:45 a.m. the Chairman of the Resolutions Committee, The Rev. W. Edwin Bonsey, Jr., was called to present the resolutions (*Attachment V, pages 1-10, includes the resolutions and the discussion*).

The results of the elections for the Standing Committee and the Board of Directors were announced to Convention. There being no person elected to the Board from Kauai, another ballot was taken. The Bishop called for nominations from the floor for the seat to the Board for the Island of Kauai. As The Rev. Jan C. Rudinoff was the only nominee, he was elected to the Board (Attachment II, "ELECTIONS").

The Bishop proposed a motion that October 12-13, 1975, be the weekend designated for the 7th Annual Diocesan Convention in Hilo. The motion carried.

The Bishop announced his appointments to the Diocesan Committees (Attachment II, "APPOINTMENTS").

The 1975 Budget was presented by Mr. Henry F. Budd, Treasurer.

He first reported on behalf of the Investment Committee. The Church Endowment Fund suffered somewhat, but to a far lesser degree than that of most nationally recognized managed trusts. Several years ago the Finance Committee had recommended drastically reducing the common stock in the portfolio in anticipation of the present economic situation. Investment has been in high-yield, short-term paper, as well as bonds with the high dividends. This results in preservation of capital and the ability to take advantage of historically high interest rates to meet the problems of the Diocese. Thanks go to Mr. Bud Getschmann of the Hawaiian Trust Company and the committee members: Paul Loo, Chairman; Hugh Shearer; Zadoc Brown; James Gary and Henry Budd.

Mr. Budd reported that Assessments & Quotas presented some real problems. The Diocese had to become self-sufficient much sooner than anticipated. The parochial report forms included principal additions to trust and endowment funds as income. In accordance with the resolution adopted at the 1972 Convention, this income is not to be included as income determining assessments. This accounted for a net reduction of \$6,047. Hoping not to go before Convention with a deficit budget, the Finance Committee, after exhausting all available alternatives, decided to stay with the present formula but to continue to work on this problem so that next year the Diocese will have a more equitable method of determining assessments.

The Finance Committee had recommended to the Board of Directors that we add an additional \$2500 to the Program Budget to increase the allocation for Stewardship to \$5000. To do this we would have a deficit budget of \$8547, which the Committee did not feel would be acceptable. The Committee is hopeful that the \$6047 can be raised by volunteer increased assessments from some of the major parishes. The proposed budget is \$29,214 greater than 1974 due mainly to salary increases to office staff and increased housing allowances in accordance with the cost of living index.

The Finance Committee adopted the budget proposal and had submitted it to the Board, which also approved it with the recommendation that it be submitted to Convention for adoption as presented. Mr. Budd said that any questions about Assessments and Quotas would be taken up individually with the Finance Committee.

The Rev. Eugene L. Harshman expressed disappointment with the Program Budget. He reported that this Diocese has one of the lowest percentages of assesment in the nation. He felt that we should take the responsibility of raising the assessments to do something for those outside of the Church.

Mrs. Margaret Cameron, Chairman of the Program Committee, reported that the Committee had to cut all requests in half. She felt that Assessments & Quotas should be given gladly, that there are many indirect benefits derived from them. She agreed that serious consideration should be given to raising the allotment to programs.

Mrs. Pauline Seto, Epiphany, felt that rather than having an expensive dinner for the delegates to Convention, that the money be contributed to Program. She suggested that another year a pot luck supper be held and a \$5 donation be given to help other people.

The Rev. Guy H. Piltz said that we might need to put the Finance Committee on "warning" in a friendly way if the problem cannot be handled and the information distributed in a satisfactory way by next Convention. The question of who sets the Assessments & Quotas, who figures out the formula, may well come before Convention as an issue and Convention may consider taking the power away from the Finance Committee and taking it to themselves. It has gotten to be that confusing. He felt that the formula should be given in advance so that every case need not be a special case.

Mr. Budd reiterated that the Finance Committee is open to any suggestion on improving the method of determining Assessments & Quotas.

At a request from The Rev. Richard E. Winkler, the formula was given as follows: The base is the receipts for parish purposes, taking 10% of that total. Then to that is added a mission and outreach scale and again the basis for the figure used is parish receipts. Then \$1 is added for each communicant in good standing, add those three, get a total, then add an additional 2% to that and the assessment is determined.

The Rev. Rudolph A. Duncan reported that last year the Program Committee made a mandate that any budget surplus be given to Program. It was discovered that Bishop Hanchett had charge of the funds, not the Board of Directors. Mrs. Cameron reported that the Bishop said he would take it as a serious recommendation from the Program Committee and the Board.

Dr. Moheb Ghali moved that Part III, No. I, the Contingent Fund, be deleted from the proposed budget. The motion died for lack of a second.

The Rev. Charles T. Crane moved that the proposed budget be adopted with the amendment that the Stewardship account be increased to \$5000, giving the Diocese a deficit budget of \$8547. The motion carried.

Bishop Hanchett commended Henry Budd for the extremely fine job he is doing as Treasurer of the Diocese. Mr. Budd received a round of applause from Convention.

The Rev. Dr. Paul M. Wheeler moved that an expression of gratitude be sent to the staffs of St. Andrew's Cathedral and St. Andrew's Priory School for their unstinting help, and for making available their facilities. The motion carried.

Father Wheeler further moved that Convention extend heartfelt thanks to Miss Genevieve Wheeler for once again offering her invaluable assistance as recorder of the minutes of Convention; to Colonel Jonike Henry, Miss Minnie Reid, Mrs. Betty Stewart, Mrs. Alice Mamiya, Mrs. Nancy Kuhn and Miss Nancy Hokama for their labor of love; and Miss Ruby Nakamura who undertook the bulk of the paperwork in connection with this annual event. The motion carried.

The committee reports were accepted by Convention.

The Secretary of Convention was directed to prepare the minutes of this Convention.

The Windward Deanery noted the absence in the reports from the Commission on Ministry and it is the feeling of this group that this very important Commission should report annually and they requested that such a report be prepared and distributed.

Bishop Hanchett asked that Mrs. Mitchell of the Blood Bank, and The Rev. Roger M. Melrose of the National Association of Episcopal Schools speak to Convention.

Mrs. Mitchell explained the Blood Bank's program and how it operates.

Father Melrose, as a Director of the National Association of Episcopal Schools, said that October 20-27, 1974, was Episcopal School Week throughout the nation. He suggested that the churches take the opportunity to hear about church schools in this Diocese. The staff will give an insight as to what goes on in these schools.

The Convention was adjourned at 12:48 p.m.

An informal luau (the Convention's Banquet Dinner) was held that evening on the Cathedral grounds.

SUNDAY, OCTOBER 6, 1974

Convention concluded at St. Andrew's Cathedral with the Holy Eucharist. The sermon was preached by the Dean, the Very Rev. Herbert N. Conley.

 Episcopal Church in Hawaii

Attachment III

In December of 1973, the Rt. Rev. E. Lani Hanchett, Bishop of Hawaii, requested and authorized the Rev. Norman Ault, recently retired priest of this diocese now residing in Kula, Maui to begin formation of a mission congregation in the Kihei area of Maui.

The first official service of worship was held at Kihei School on Dec. 16, 1973. Subsequently, services have been held every Sunday in the pavilion of Kalama Park in Kihei, attracting a steadily growing number of resident and visitor worshippers.

Having had the approval of the Diocesan Board of Directors, the congregation is presently in the final stages of finalizing a long-term lease with the State of Hawaii, at a most nominal rental, for the old David Malo Church property. This consists of three acres of choice land centrally located on the main road through Kihei. It will provide more than ample space for the envisioned work and ministry of the Kihei Episcopal Church in the years ahead. An attempt will be made to restore the stone foundation of the original David Malo Church and preserve it as an important historical landmark of the area.

The Kihei-Wailea-Hakana area of Maui is already experiencing a surge of construction and population growth that is merely the beginning of a residential and resort community that is one day anticipated to number some 50,000 persons - more than the present total population of Maui.

From this, we believe that the future possibilities for the Episcopal Church's ministry to both resident and visitor are enormous and varied, and we rejoice in the far-sighted planning and vision of our Diocese that led to the formation of a mission congregation at this early date in Kihei's growth and development.

At the present time, the congregation's membership is comprised of 25 families and 49 individuals, for a total of 49 Baptized members and 47 communicants.

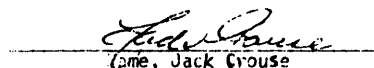

The worship and administration of the mission would continue to be conducted under the supervision of the Bishop by the indefatigable Rev. Norman Ault for the foreseeable future.

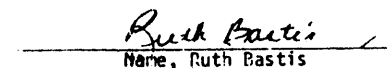

The below listed persons, whose names have been submitted to the Bishop for appointment and approved to serve on the Mission's Bishop's Committee, hereby respectfully solicit the support of all Convention Delegates to aid the Kihei Episcopal Mission in being accepted as a formally organized mission of the Episcopal Church in Hawaii, and further request that the name of the mission be: "Trinity Church By-The-Sea".

Proposed preliminary budget is here with enclosed.

WHEREAS this year marks the 30th anniversary of the Consecration of the Rt. Rev. Harry S. Kennedy as Bishop of Honolulu; and

WHEREAS Bishop Kennedy's productive leadership, which extended through a quarter century in these islands, deserves every honor that the Church can bestow;

NOW, therefore, be it resolved by the Diocese of Hawaii in its 1974 Convention that the title "Bishop Emeritus" be established for our much beloved Retired Bishop, Harry S. Kennedy.

RESOLUTION SENDING LOVE AND APPRECIATION TO BISHOP KENNEDY

WHEREAS this year marks the 30th anniversary of the Consecration of the Rt. Rev. Harry S. Kennedy as Bishop of Honolulu; and

RESOLUTION ON AMNESTY

WHEREAS the principle of amnesty is a moral and theological issue, going beyond the realm of political and social issues, and the Christian Church must be ready to make a declaration upon this important subject, and
WHEREAS a large percentage of American youth who are classified as war resisters acted out of conscience by resisting a war which they felt to be illegal and immoral because undeclared, and
WHEREAS these war resisters have already suffered greatly during their years away from families while in exile or prison, and
WHEREAS prolonging the exile or imprisonment of war resisters, other than those responsible for physical injuries, deaths, or property damage, will accomplish little good but possible irreparable harm to our nation, and
WHEREAS amnesty constitutes walking a second mile beyond forgiveness and can only be granted unconditionally if there is to be true forgetfulness,
BE IT THEREFORE RESOLVED that this Sixth Annual Diocesan Convention of the Episcopal Church in Hawaii, meeting on October 5, 1974, petition the President of the United States to grant total, unconditional amnesty to the war resisters, draft evaders and deserters, who are not guilty of crimes against persons and property.

DEFEATED

RESOLUTION ON AMNESTY

Whereas, the war in Southeast Asia has resulted in suffering and sacrifice for many in this land, as well as in the battlefields of that part of the world.

And whereas, there has been additional suffering resulting from dissent over this country's involvement in that war.

And whereas the President of the United States has set forth a program of clemency and earned re-entry as a step in achieving reconciliation and healing for this nation;

Therefore, be it resolved by this convention that we work toward reconciliation by the giving support to the following:

1. Giving the widest publicity within the church for the provisions of President Ford's clemency and earned re-entry program.
2. Counselling and assisting those who wish to take advantage of this program.
3. Furnishing public service employment in the churches and church agencies for those seeking restoration and reconciliation.
4. A continued consideration of other solutions to this problem in the light of changing perspectives and circumstances.
5. And by prayerful study for understanding of the graceful judgment of God on this nation and continued effort toward full reconciliation of all concerned.

Submitted for the Diocesan Committee
on Nominations and Elections

Mrs. Jan Bond moved to amend the resolution adding a request that nominees to be elected as deputies indicate their agreement to attend the House of Deputies for the full session. The amendment was defeated. The Rev. W. Edwin Bonsey, Jr. asked Mrs. Bond to submit her idea as a separate resolution.

The following spoke against the original motion:

The Very Rev. Herbert N. Conley
(At this time Father Conley called for the question. The call was defeated).

Mrs. Doty Moore, Guam

The following spoke for the original motion:

The Rev. Elsbery W. Reynolds
The Rev. Jacinto B. Tabili

The Rev. Charles T. Crane, author of the resolution, asked that "deputies" be substituted for "delegates" in the second line.

RESOLUTION ON BICENTENNIAL YEAR

WHEREAS the year 1976 will be the bicentennial year of the founding of our country and will be celebrated by the different segments of our country in the form of parades, news media reviews, television and radio programs, school programs, social and business club speakers and programs, special attention given by legislative and executive bodies of our city, county, state and national governments, and the appointment by the President of special days, and

WHEREAS the founding of our government in 1776 was based on many principles of a democratic form of government including the freedom of religion, and

WHEREAS there are many religious groups that are being refreshed and revived by a new and stronger commitment of the people, and

WHEREAS there appears to be an increase in crime and violence in both real life and in imaginary or illusory areas in television and radio program and on the theatre and stage, and

WHEREAS the many immoral issues existing in the sixties appear now to be challenged by at least a small segment of that group in seeking the truth in religion, and

WHEREAS there appears to be a spiritual need to further promote the religious interests in this country.

BE IT THEREFORE RESOLVED that this Sixth Annual Diocesan Convention of the Episcopal Church in Hawaii, meeting in October, 1974, appoint a special Diocesan Task Force Committee to cooperate with and recommend to the State Council of Churches in Hawaii, to the governing bodies in Hawaii and in Washington, D.C., and especially to the President of the United States, a special program.

FURTHER that this program consist of a special day or days set aside for national celebration of the adoption of religious freedom as a chief cornerstone in the birth of our nation; that this program be so designed to promote a great revival of religious interests and pursuits in this country; and that an approach will be made to raise the religious pulse of our nation and the entire world.

RESOLUTION TO AMEND VOTING PROCEDURES

WHEREAS the election procedures in use by the Diocese of Hawaii are not consistent and have been a matter of contention at most recent conventions, and

WHEREAS the use of simple, reasonable and uniform procedures consistent with State Law will permit more concern about who is elected rather than how to elect,

THEREFORE BE IT RESOLVED that Article 1 of the By-laws of the Episcopal Church in Hawaii be amended by deleting the words "by the plurality rule" from the fourth sentence, and

.....

BE IT RESOLVED that Section 1 of Article XVIII of the Constitution of the Diocese of Hawaii be amended to read as follows:

Section 1. The manner of electing all officers provided for by this convention shall be by ballot, unless the same be unanimously dispensed with by the body electing. The majority rule shall apply to the first ballot except as otherwise specified in this Constitution or by State Law. Offices remaining unfilled after the first ballot will be filled by a plurality vote on a second ballot. In the event of failure or neglect to elect by such body, the person or persons already in office shall hold over until successors are regularly elected.

Chancellor Tabor suggested that the original resolution be split into two resolutions and that the resolution to amend the Constitution be considered first. If the amendment to the Constitution does not pass then drop the other. To do it any other way would make it a much more difficult problem than we now have.

Chancellor Tabor felt that the current rules for voting are adequate as they are.

The Rev. Charles T. Crane moved that the resolution be separated and that the matter of the Constitution be taken up first. The motion carried.

RESOLUTION TO AMEND VOTING PROCEDURE IN THE CONSTITUTION

Requires a 2/3 vote of each order voting separately and approval by the Bishop.

The vote carried in each order. The Bishop concurred with the change.

The Board of Directors
The Episcopal Church in Hawaii

We have examined the balance sheet of The Episcopal Church in Hawaii as of December 31, 1974. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. The balance sheet as of December 31, 1973 was examined by other public accountants and is presented in this report for comparative purposes only.

In our opinion, the aforementioned 1974 balance sheet presents fairly the financial position of The Episcopal Church in Hawaii at December 31, 1974 in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The data included in Schedules I, II and III of this report is presented primarily for supplemental analysis purposes. This information has been subjected to the same audit procedures applied in the examination of the balance sheet referred to above and, in our opinion, is fairly stated in all material respects in relation to the balance sheet taken as a whole, except that we did not substantiate the accuracy of the allocation of investment earnings as presented in Schedule II, and accordingly, we express no opinion thereon.

Notes to Balance Sheet

1. Significant Accounting Policies

Accounts And Records -

The accounts and records of the Church do not reflect the financial position and results of operations of parishes, missions or institutions which conduct the activities of The Episcopal Church throughout the State of Hawaii. However, certain trusts of these departments are held by the Church and accordingly have been taken into account in the accompanying balance sheet.

The accounts of the Church are maintained in accordance with the principles of fund accounting in order to help ensure observance of restrictions and designations placed by donors and others on the use of the resources available to The Episcopal Church in Hawaii. In the accompanying balance sheet, funds that have similar characteristics have been combined into fund groups.

Description Of Fund Groups -

General Fund:

This fund accounts for contributions available for designated and general operations of the Church.

Investment Fund:

This fund accounts for contributions for which the donor has stipulated that the principal is to be invested in the Church investment pool or held in trust. The income is restricted for purposes designated by the donor.

Real Estate Fund:

This fund accounts for all known land, buildings and other properties of the Church.

Trust Investments -

The Church through its agent, Hawaiian Trust Co., Limited, maintains an investment pool on behalf of itself, parishes and missions.

THE EPISCOPAL CHURCH IN HAWAII

Notes to Balance Sheet

Trust investments in marketable securities are carried at cost, if purchased, or market quotation on the date of receipt of gifts unless it is determined that there has been a significant impairment of value, at which time a valuation allowance is established. No such valuation allowance has been established at December 31, 1974. Indicated market values were obtained from quotations close to or at year end. Trust investments in loans, mortgages and agreements of sale are carried at principal amount.

Income, which is distributed quarterly, is recorded when received. Gains or losses from investment transactions are treated as additions to or deductions from principal and accordingly have no effect on income available for distribution.

Special Investments -

Special investments are carried at cost, if purchased, or market quotations on the date of receipt of gifts. These investments are held in trust for special designations. Income realized is paid directly to the designee or donor, in the case of life interest.

Land And Buildings -

Title to all real property (other than real property of St. Clement's Church) is vested in The Episcopal Church in Hawaii; accordingly, such property is accounted for in the records of the Church. The carrying value of the property is frequently an estimated amount not readily subject to accurate determination, intended to represent expenditures made not only by the Church but also by missions, parishes or other persons.

In common with the practice of many similar nonprofit organizations, the Church does not provide for depreciation on buildings and other properties.
