iMovie

Windows 10 Video Editor

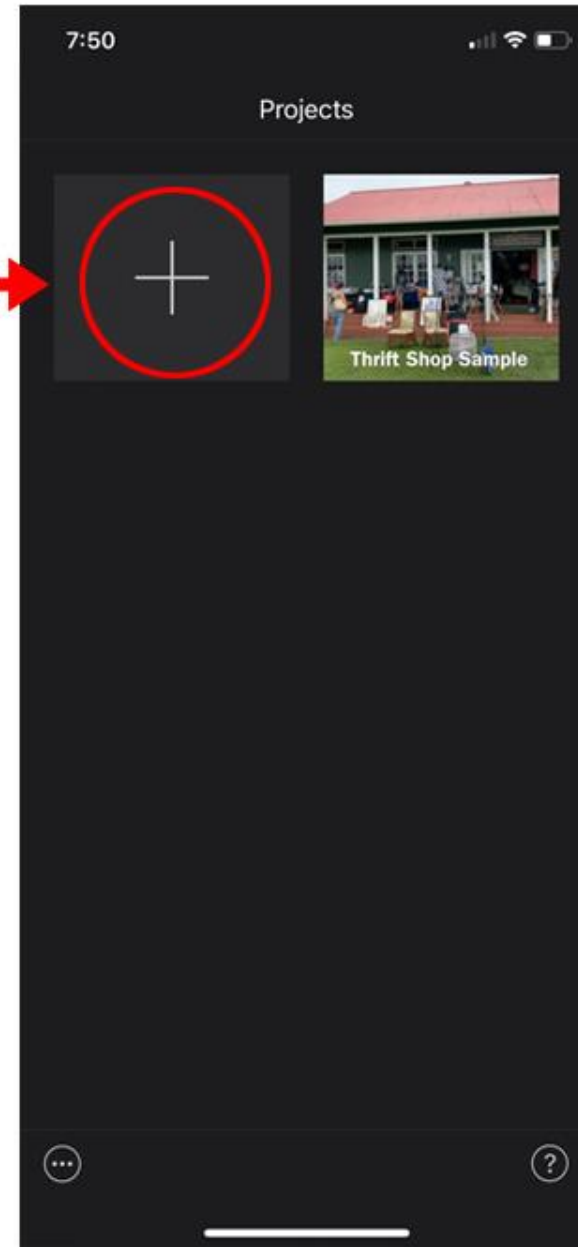

Facebook Video Editing

YouTube Video Editing

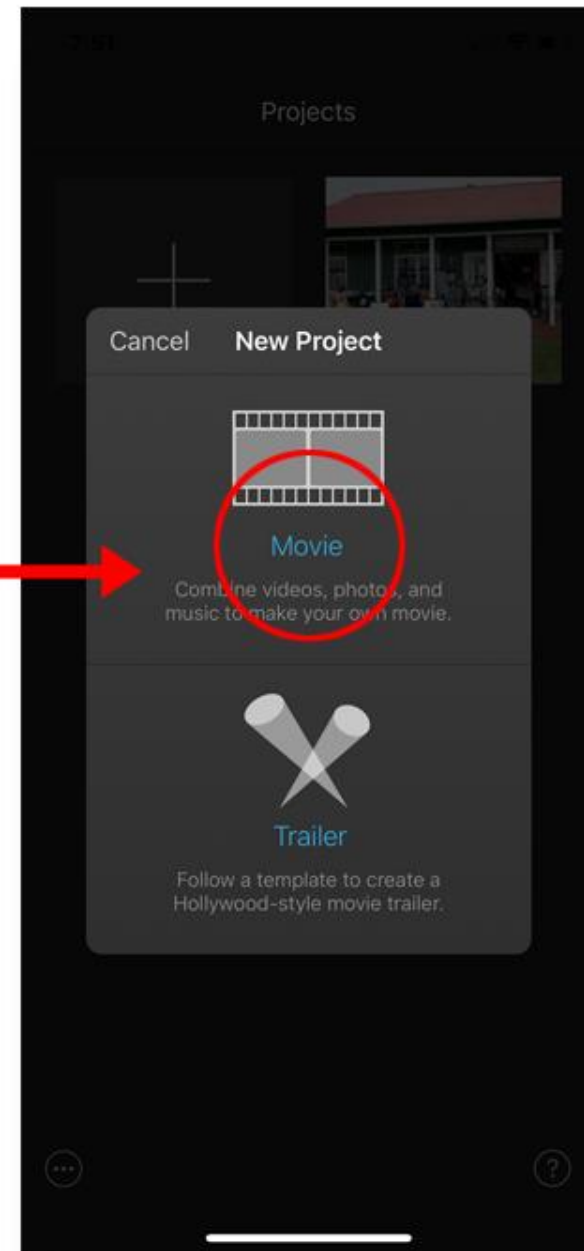

**All iOS devices
come with iMovie**

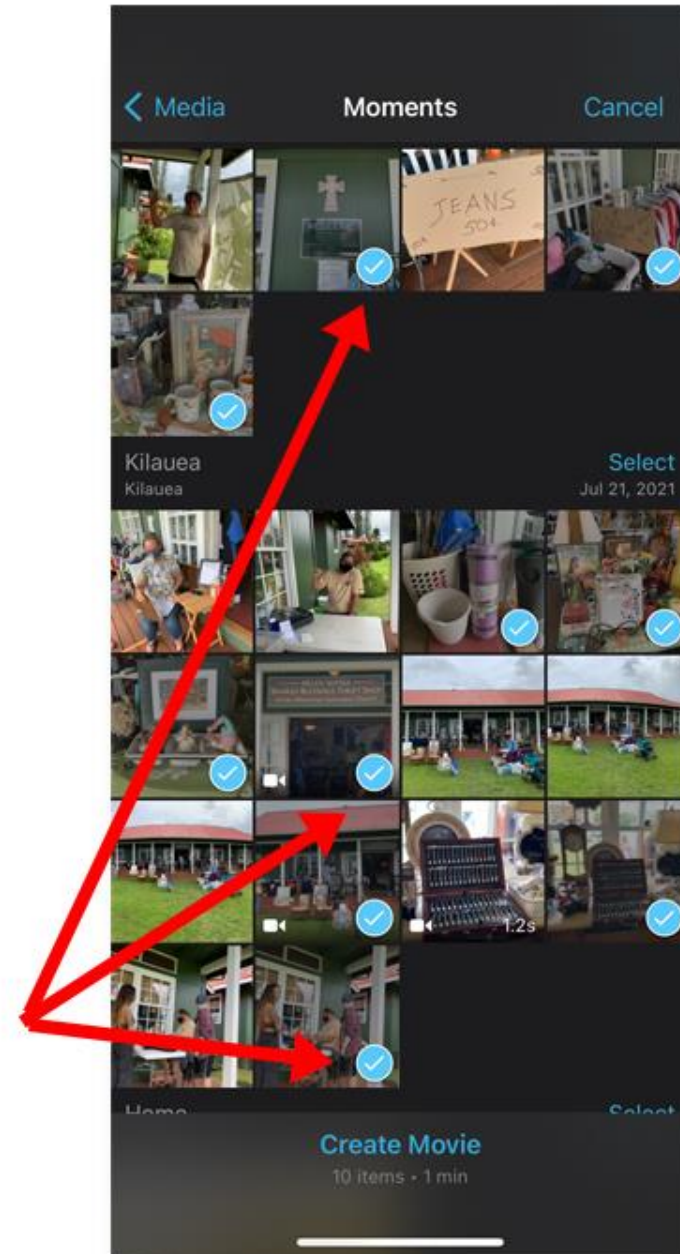

**Click here to begin
a new project**

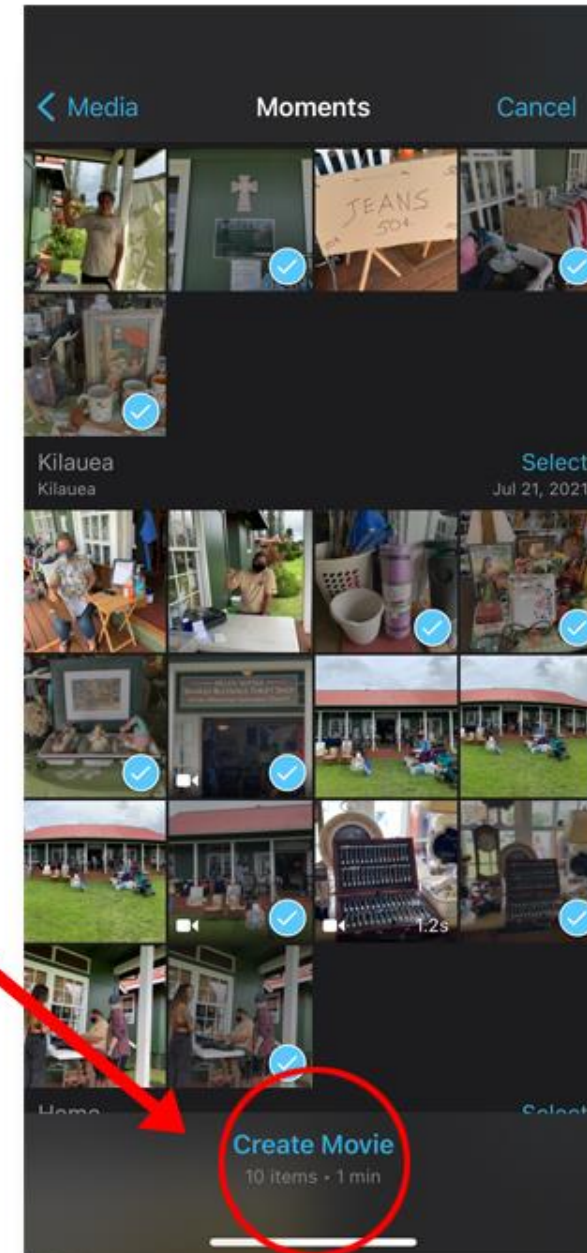

Select Movie

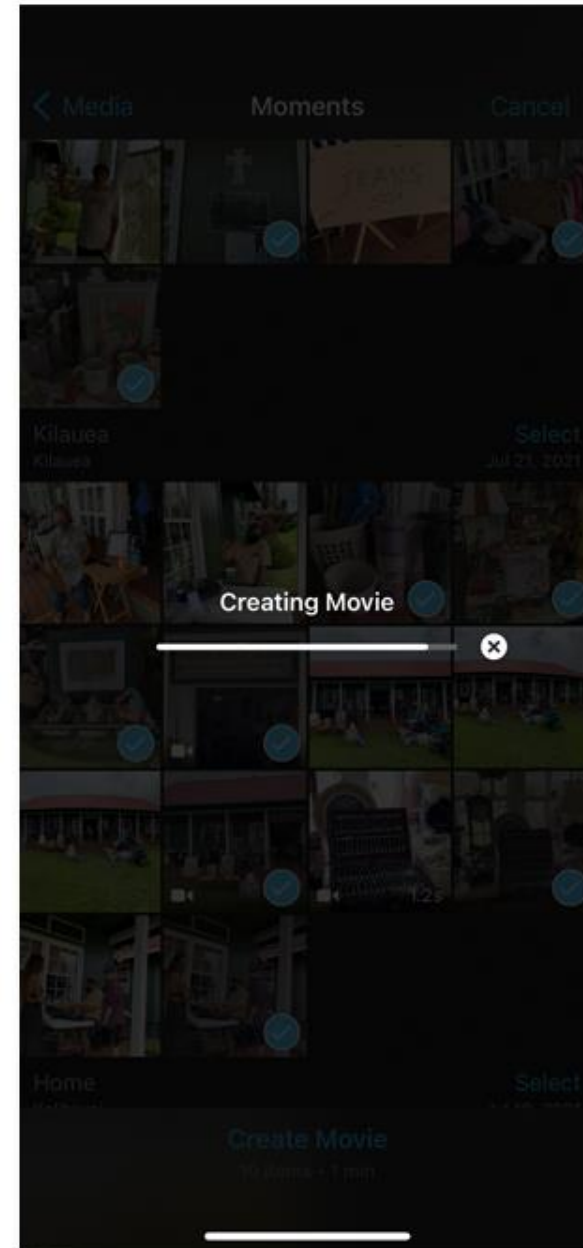

**It will take you to
your camera roll
where you can
select the photos
and videos you
need to make your
movie.**

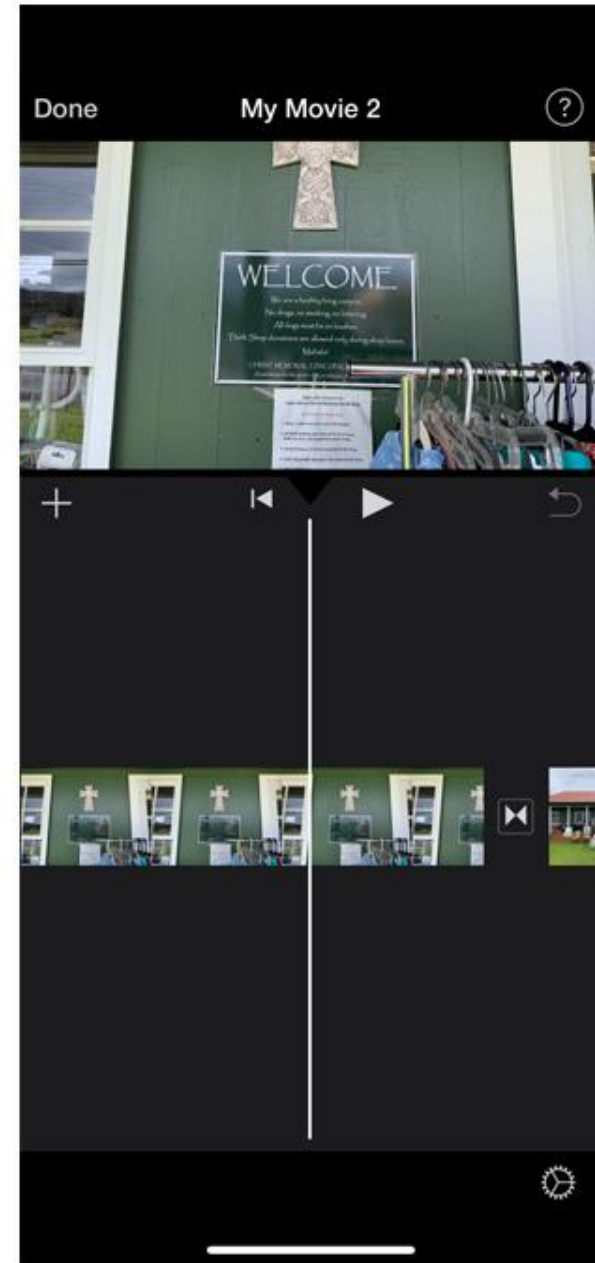

**When you have
made your
selections, click on
Create Movie**

**Give it a moment to
process while it
“creates” your
movie.**

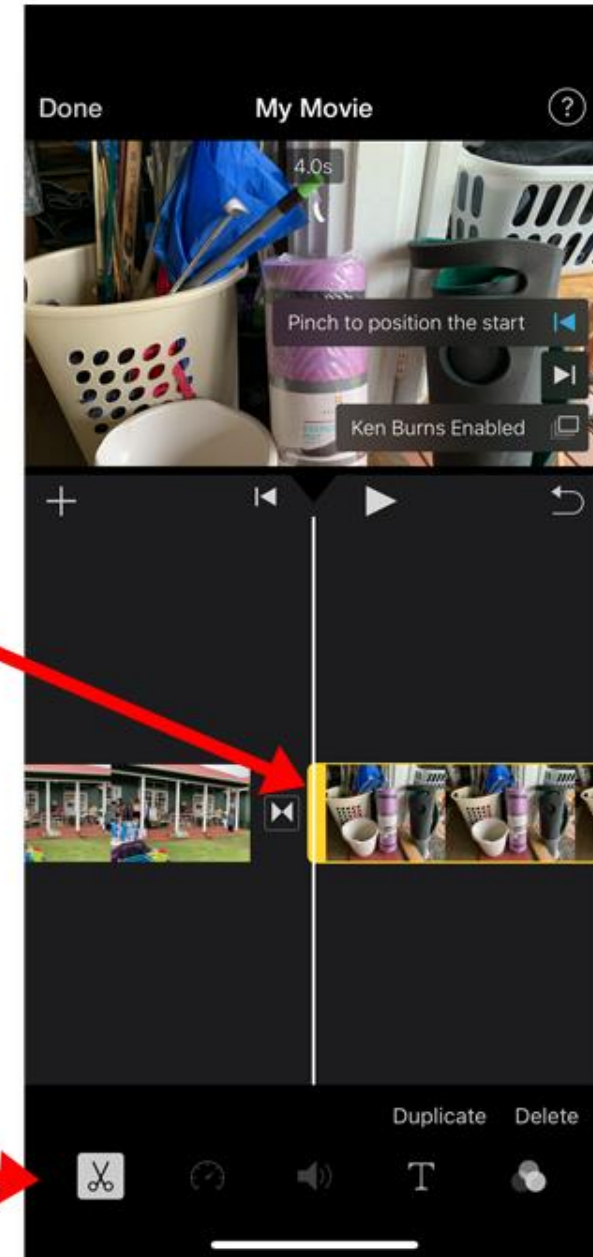

**When it's done, you
can preview your
video on a
“timeline” where
you can make edits
and add effects.**

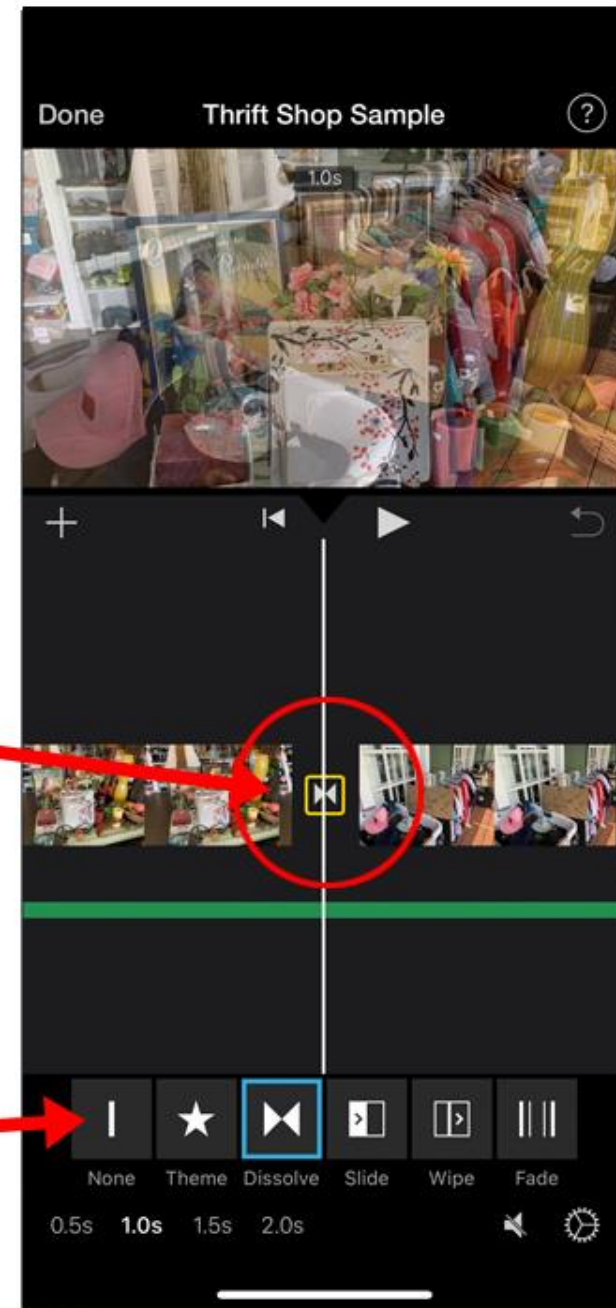

**Select an image/clip
you want to edit and
it will highlight in
yellow.**

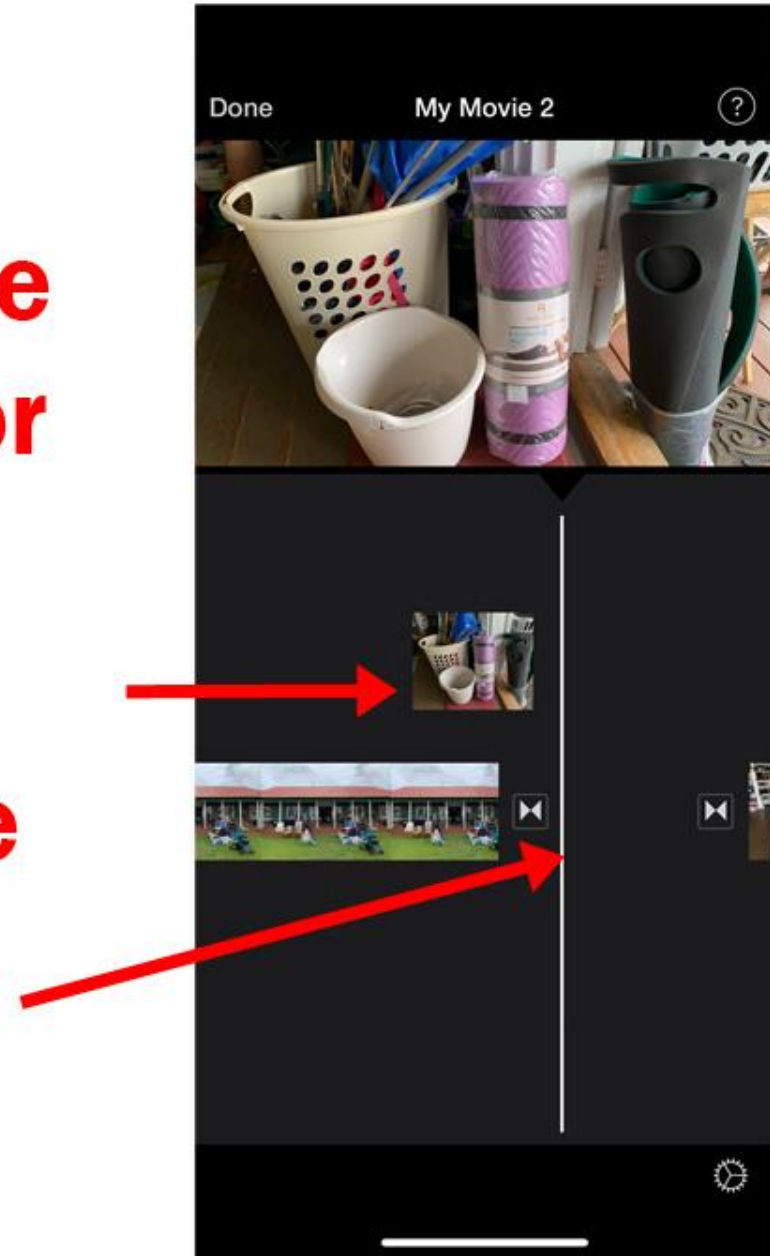

**A toolbar will appear
at the bottom with
different editing
options.**

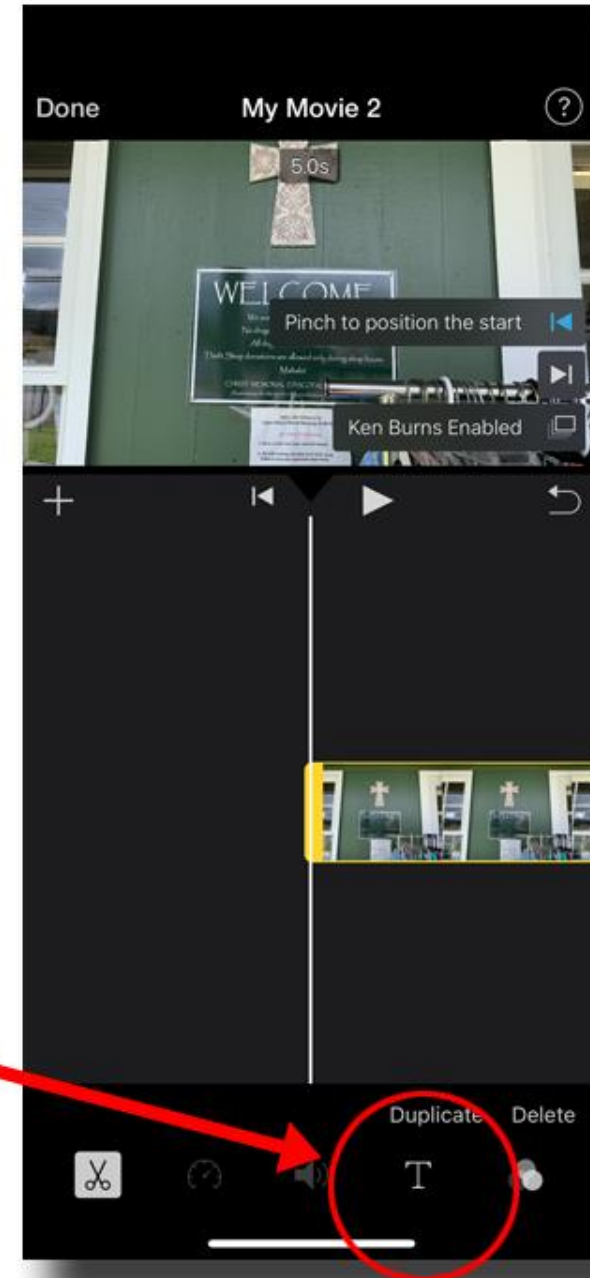

The symbol between images/clips is a transition style such as cross fade, slide, wipe and much more! Click on the symbol to see the toolbar of different styles and select your favorites.

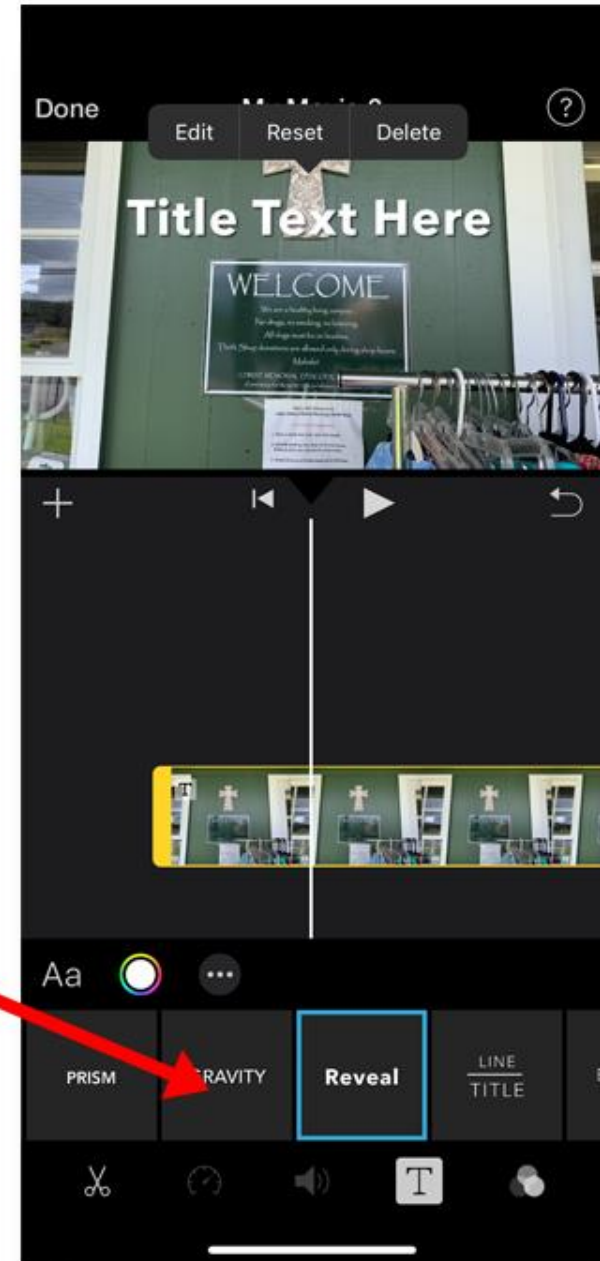

You can also reposition an image by pressing on it for a second or two and dragging it above the timeline to the spot you want.

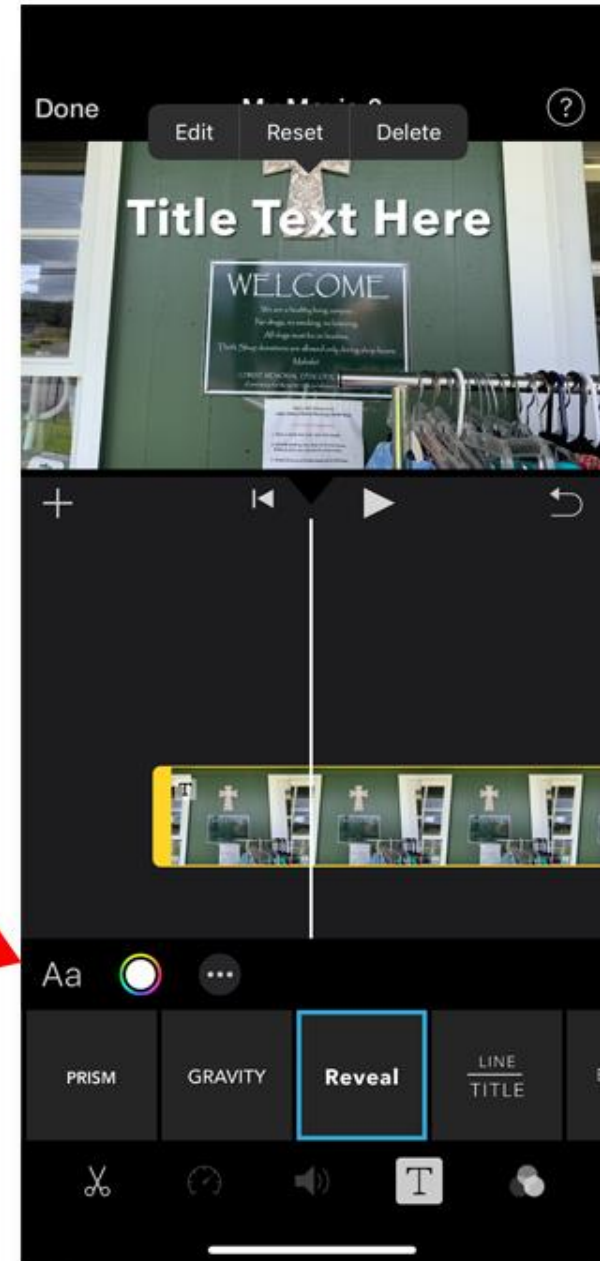

To add text, select the image you want it to appear on and select the text button from the toolbar at the bottom.

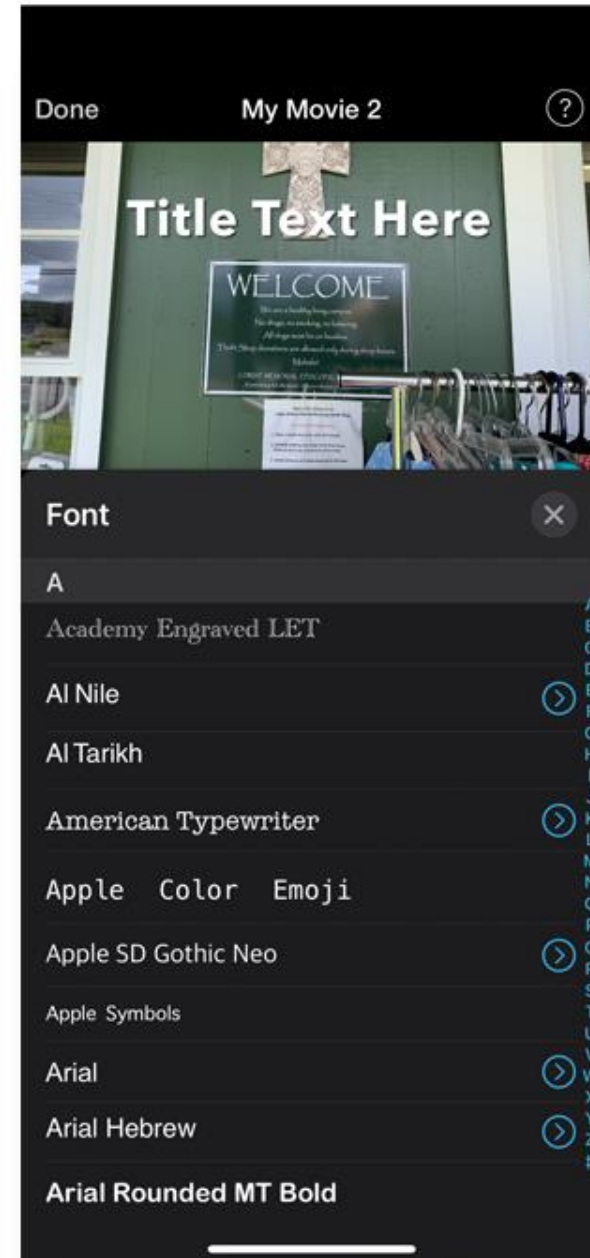

Select the transition style of how the title will appear. There are a variety to choose from.

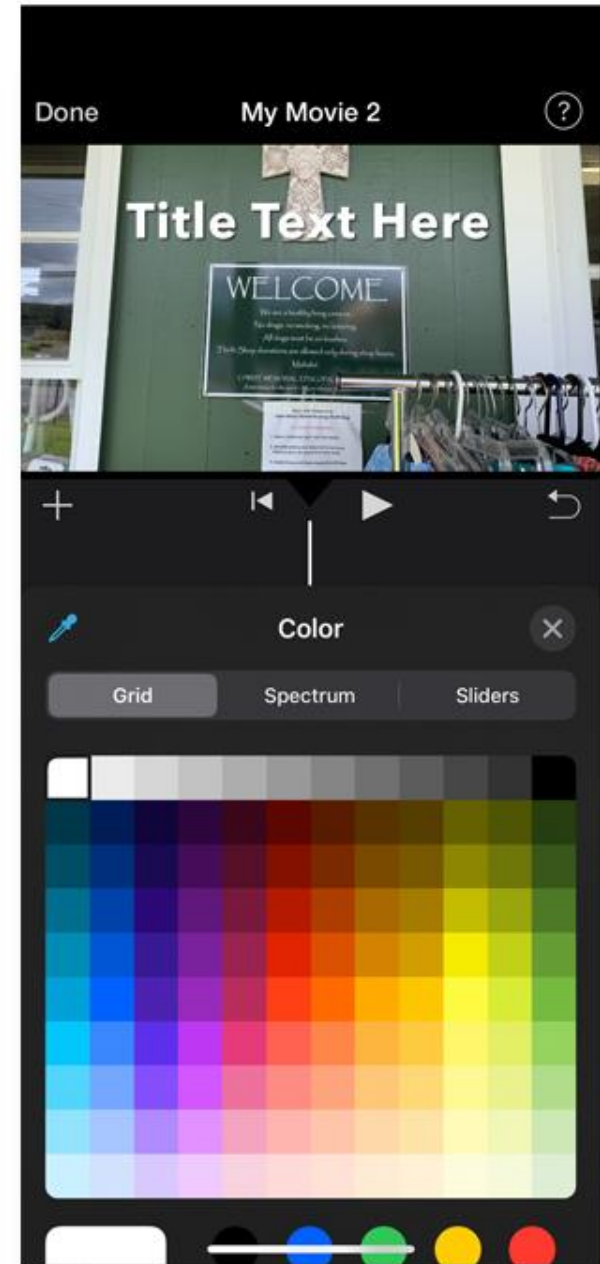

To change the style and color of the font, click on these text option buttons here.

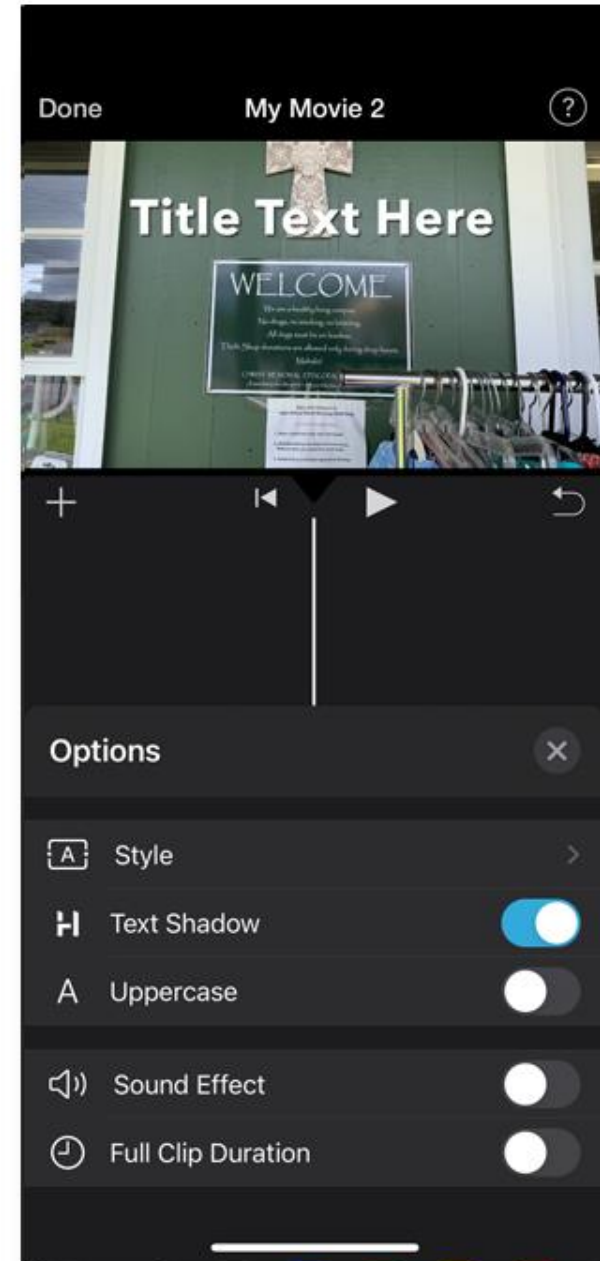

There is a wide selection of fonts.

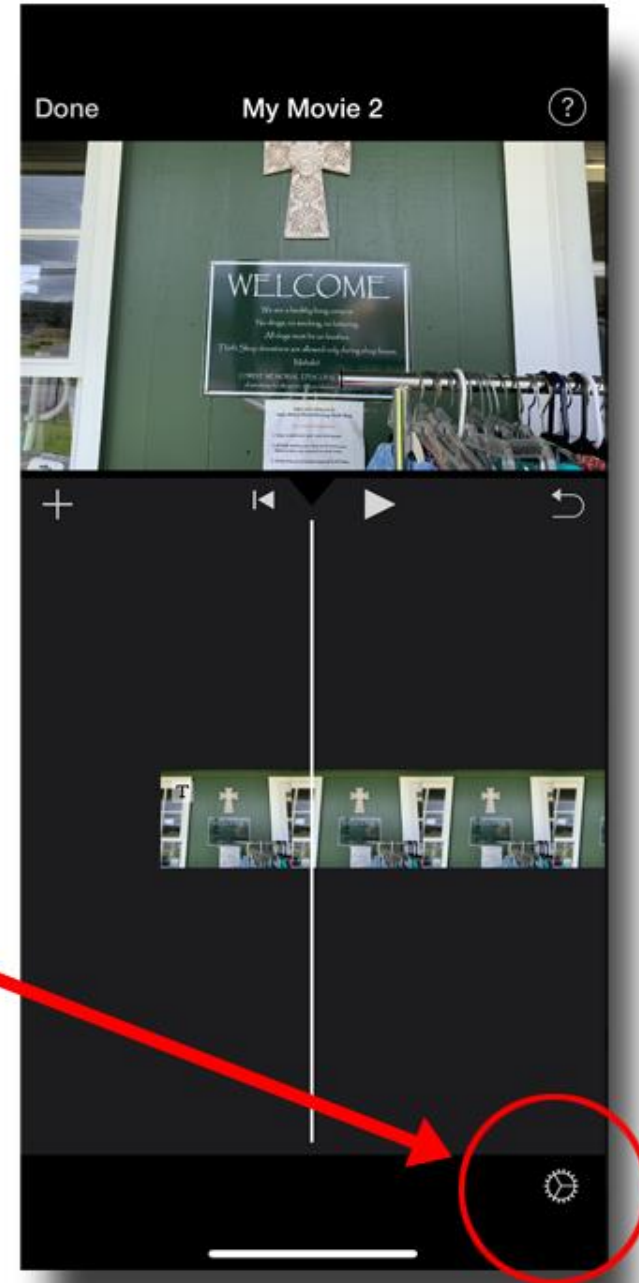

Endless colors

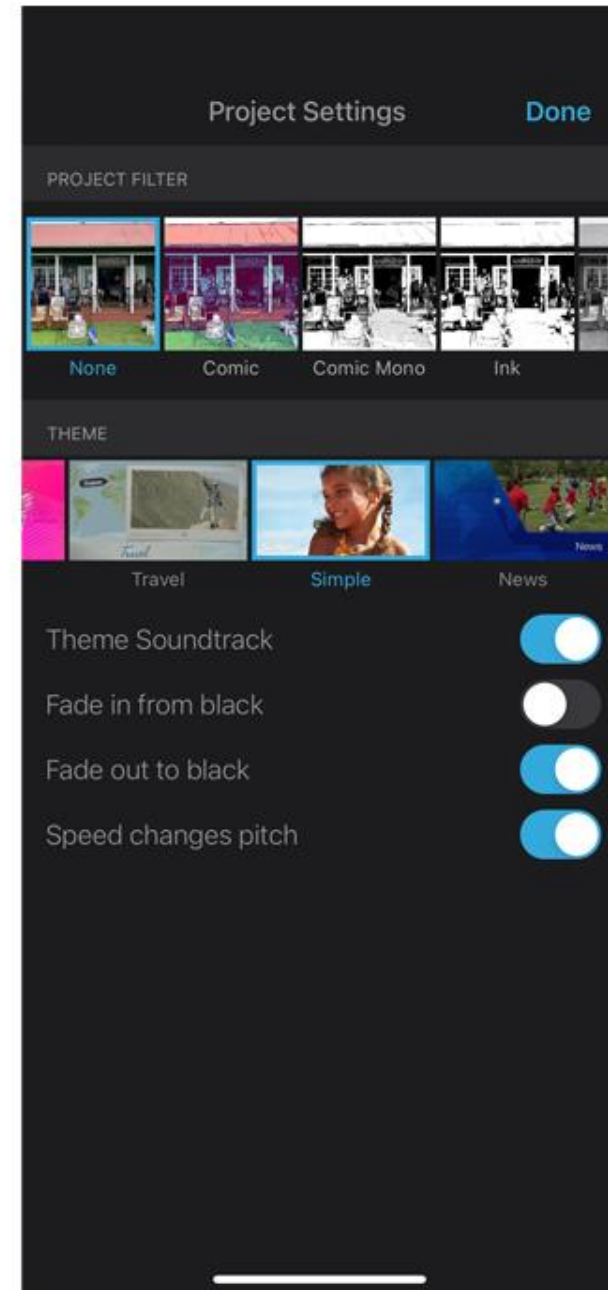

and effects!

**Finally, in your
Settings menu, you
can add music,
transition styles and
more!**

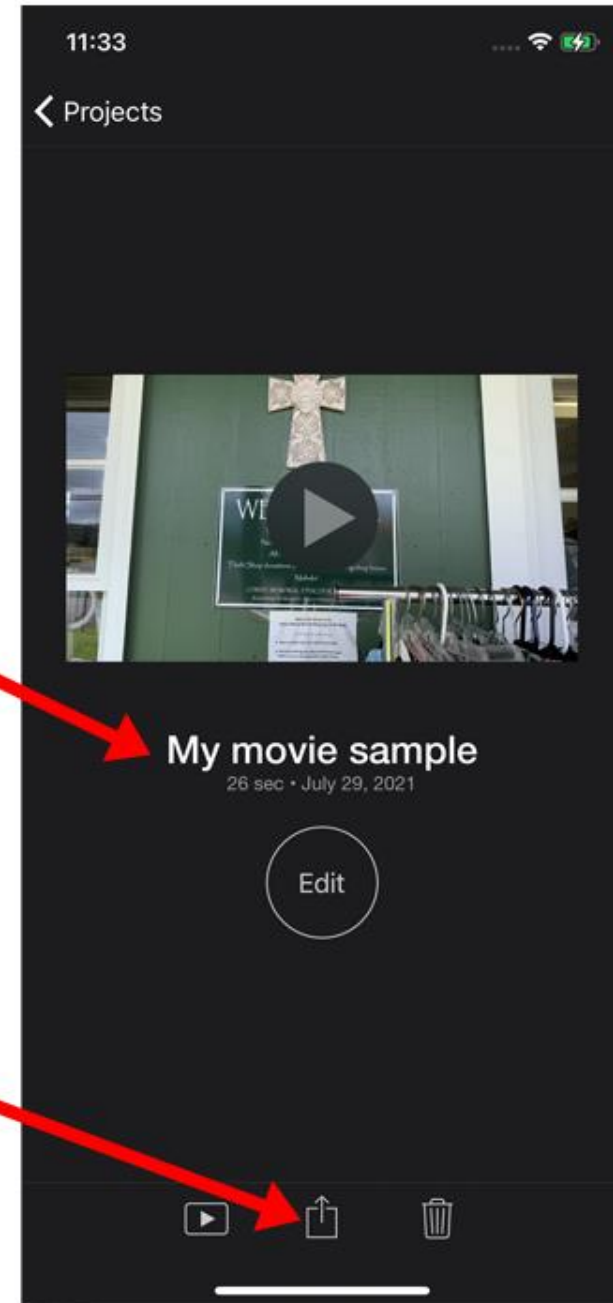

Pick from a variety of effects, music, an opening and closing transition, and speed changes.

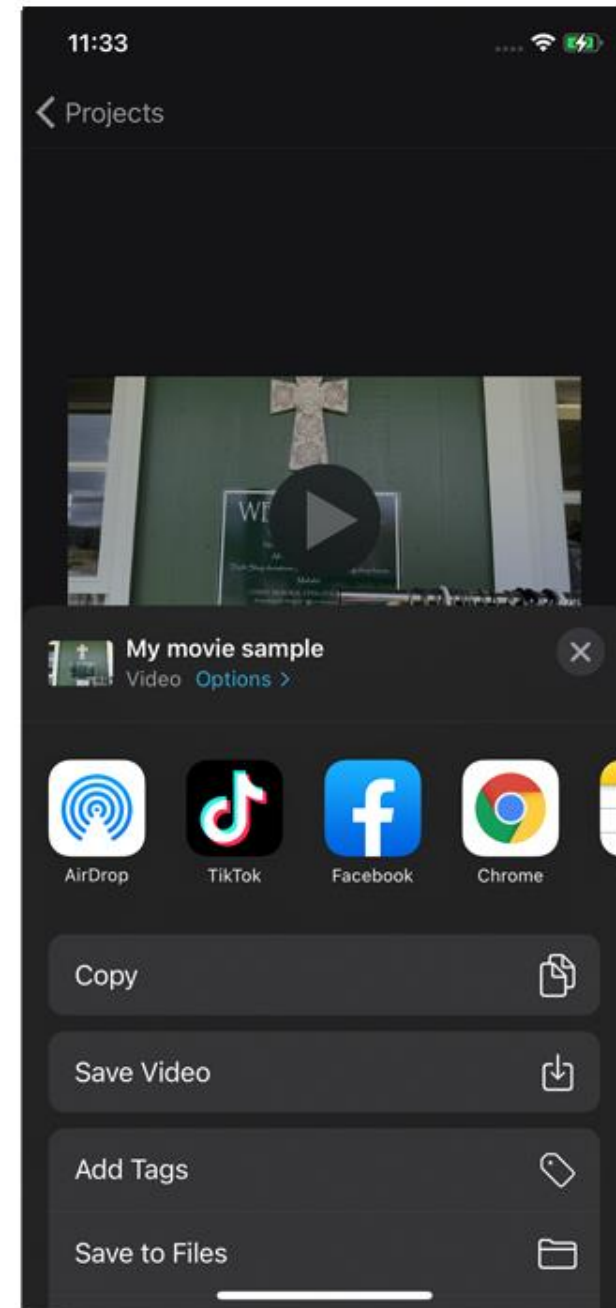

**Give your project a
title**

**then save, share, or
post on social media!**

**Experiment and have
fun making and
sharing all sorts of
great video clips with
iMovie!**

The video player displays a man with a goatee and a dark shirt speaking. To his right is a logo consisting of four colored squares in a 2x2 grid: top-left is teal with a white 'F', top-right is orange with a white 'M', bottom-left is orange with a white 'S', and bottom-right is teal with a white 'M'. Below the grid, the text 'FIVE MINUTE SOCIAL MEDIA' is written in bold, black, uppercase letters. The video player interface includes a progress bar at the bottom showing 0:02 / 6:27, and control icons for play/pause, volume, settings, and full screen.
