Bishop’s Note: It is very important that the members of Diocesan Council have skills/experience in/with fiscal management, budgeting, human resources, non-profit boards, strategic planning, real estate and/or property management. This is the Board of Directors of the business side of the Diocese. I also think it important that the members of Diocesan Council be faithful followers of Jesus Christ who actively support their local congregations through faithful giving (ideally, committed to tithe) and have served in leadership in their local church.

No member of the Standing Committee may serve simultaneously on the Diocesan Council or the Commission on Ministry.

Bishop’s Note: It is very important that the members of the Standing Committee be wise, faithful, prudent, and able to hold confidences with a discerning heart for God’s will. As my Council of Advice, I particularly need members who take the long view and can speak to the needs/concerns of the whole Diocese without being focused on parochial issues of their own local congregations. I welcome the visionary and prophet to seek God’s will for our Diocese. I also think it important that the members of the Standing Committee be faithful followers of Jesus Christ who have an engaged prayer life, regularly study the Scripture, and actively support their local congregations.
